4 **PROPOSED RULES TO BE PUBLISHED IN THE *TEXAS REGISTER*. THIS**
5 **DOCUMENT WILL HAVE NO SUBSTANTIVE CHANGES BUT IS SUBJECT TO**
6 **FORMATTING CHANGES AS REQUIRED BY THE OFFICE OF THE SECRETARY**
7 **OF STATE.**

8
9 The Texas Workforce Commission (TWC) proposes the repeal of the following section of
10 Chapter 850, relating to Vocational Rehabilitation Services Administrative Rules and
11 Procedures:

12 Subchapter A. Vocational Rehabilitation General Rules, §850.11

13
14 TWC proposes the following new section to Chapter 850, relating to Vocational Rehabilitation
15 Services Administrative Rules and Procedures:

16
17 Subchapter A. Vocational Rehabilitation General Rules, §850.11

18
19 **PART I. PURPOSE, BACKGROUND, AND AUTHORITY**

20
21 The purpose of the proposed Chapter 850 rule change is to clarify TWC's Vocational
22 Rehabilitation Division's (VRD) Comprehensive System of Personnel Development (CSPD)
23 standards for Qualified Vocational Rehabilitation Counselors (QVRCs) in accordance with 34
24 Code of Federal Regulations (CFR) §361.18, relating to vocational rehabilitation personnel
25 development.

26
27 **PART II. EXPLANATION OF INDIVIDUAL PROVISIONS**

28 (Note: Minor editorial changes are made that do not change the meaning of the rules and,
29 therefore, are not discussed in the Explanation of Individual Provisions.)

30
31 **SUBCHAPTER A. VOCATIONAL REHABILITATION GENERAL RULES**

32 TWC proposes the following amendments to Subchapter A:

33
34 **§850.11. Qualified Vocational Rehabilitation Counselor**

35 Section 850.11 is repealed and added as new to clarify requirements for QVRCs.

36
37 The current rule language in §850.11(a) - (f) is repealed and proposed as new in new §850.11
38 with the updated QVRC requirements. The current rule language is added throughout new
39 §850.11(e) - (j), except for current §850.11(d) because the rule language is no longer applicable.

40
41 The repealed rule language in §850.11(e) is added into two subsections in new §850.11 as
42 follows:

43 --The rule language regarding the time period for completing the graduate education
44 requirements is added into new §850.11(e).

45 --The rule language regarding transcript reviews and confirming certifications is moved from
46 repealed §850.11(e) to new §850.11(f).

1 Additionally, the repealed rule language in current §850.11(a) and (f) is moved, with
2 modifications, to new §850.11(g) and (j), respectively, to align with and clarify the updated
3 QVRC requirements. New §850.11(a) clarifies that VRD develops and maintains the CSPD
4 standards.

5

6 New §850.11(b) specifies what is needed for staff to be classified as a QVRC.

7

8 New §850.11(c) specifies what staff must do to be qualified to perform non-delegable duties.

9

10 New §850.11(d) specifies the minimum education and experience standards required to be hired
11 as a VR counselor.

12

13 New §850.11(e) specifies the graduate education requirements that must be completed within
14 seven years from completion of the initial training year.

15

16 New §850.11(f) specifies that VRD must conduct transcript reviews and/or confirm certifications
17 to determine compliance with standards, coursework, and graduate education requirements.

18

19 New §850.11(g) is the rule language that was repealed from current §850.11(a), with
20 modifications, to align with and clarify the updated QVRC requirements.

21

22 New §850.11(h) relating to QVRC financial assistance is the rule language that was repealed
23 from current §850.11(b).

24

25 New §850.11(i) relating to the requirements for applying for QVRC program assistance is the
26 rule language that was repealed from current §850.11(c).

27

28 New §850.11(j) is the rule language that was repealed from current §850.11(f), with
29 modifications, to align with and clarify the updated QVRC requirements.

30

31 **PART III. IMPACT STATEMENTS**

32 Chris Nelson, Chief Financial Officer, has determined that for each year of the first five years the
33 rules will be in effect, the following statements will apply:

34

35 There are no additional estimated costs to the state and to local governments expected as a result
36 of enforcing or administering the rules.

37

38 There are no estimated cost reductions to the state and to local governments as a result of
39 enforcing or administering the rules.

40

41 There are no estimated losses or increases in revenue to the state or to local governments as a
42 result of enforcing or administering the rules.

43

44 There are no foreseeable implications relating to costs or revenue of the state or local
45 governments as a result of enforcing or administering the rules.

46

1
2 There are no anticipated economic costs to individuals required to comply with the rules.
3

4 There is no anticipated adverse economic impact on small businesses, microbusinesses, or rural
5 communities as a result of enforcing or administering the rules.
6

7 Based on the analyses required by Texas Government Code §2001.024, TWC has determined
8 that the requirement to repeal or amend a rule, as required by Texas Government Code
9 §2001.0045, does not apply to this rulemaking.
10

11 Takings Impact Assessment

12 Under Texas Government Code, §2007.002(5), "taking" means a governmental action that
13 affects private real property, in whole or in part or temporarily or permanently, in a manner that
14 requires the governmental entity to compensate the private real property owner as provided by
15 the Fifth and Fourteenth Amendments to the US Constitution or the Texas Constitution, §17 or
16 §19, Article I, or restricts or limits the owner's right to the property that would otherwise exist in
17 the absence of the governmental action, and is the producing cause of a reduction of at least 25
18 percent in the market value of the affected private real property, determined by comparing the
19 market value of the property as if the governmental action is not in effect and the market value of
20 the property determined as if the governmental action is in effect. TWC completed a Takings
21 Impact Assessment for the proposed rulemaking action under Texas Government Code,
22 §2007.043. The primary purpose of this proposed rulemaking action, as discussed elsewhere in
23 this preamble, is to clarify requirements for QVRCs.
24

25 The proposed rulemaking action will not create any additional burden on private real property or
26 affect private real property in a manner that would require compensation to private real property
27 owners under the US Constitution or the Texas Constitution. The proposal also will not affect
28 private real property in a manner that restricts or limits an owner's right to the property that
29 would otherwise exist in the absence of the governmental action. Therefore, the proposed
30 rulemaking will not cause a taking under Texas Government Code, Chapter 2007.
31

32 Government Growth Impact Statement

33 TWC has determined that during the first five years the rules will be in effect, they:

- 34 --will not create or eliminate a government program;
- 35 --will not require the creation or elimination of employee positions;
- 36 --will not require an increase or decrease in future legislative appropriations to TWC;
- 37 --will not require an increase or decrease in fees paid to TWC;
- 38 --will not create a new regulation;
- 39 --will not expand, limit, or eliminate an existing regulation;
- 40 --will not change the number of individuals subject to the rules; and
- 41 --will not positively or adversely affect the state's economy.

43 Economic Impact Statement and Regulatory Flexibility Analysis

44 TWC has determined that the rules will not have an adverse economic impact on small
45 businesses or rural communities, as the proposed rules place no requirements on small businesses
46 or rural communities.
47

1 Mariana Vega, Director, Labor Market Information, has determined that there is not a significant
2 negative impact upon employment conditions in the state as a result of the rules.
3

4 Cheryl Fuller, Director, Vocational Rehabilitation Division, has determined that for each year of
5 the first five years the rules are in effect, the public benefit anticipated as a result of enforcing the
6 proposed rules will be to ensure Vocational Rehabilitation Counselors are sufficiently trained
7 and prepared to effectively serve Texans with disabilities.
8

9 TWC hereby certifies that the proposal has been reviewed by legal counsel and found to be
10 within TWC's legal authority to adopt.
11

12 **PART IV. COORDINATION ACTIVITIES**

13 The proposed rule amendments to Chapter 850 have been reviewed by the Rehabilitation
14 Council of Texas (RCT) in accordance with 34 CFR §§361.16 - 361.18.
15

16 **PART V. PUBLIC COMMENTS**

17 Comments on the proposed rules may be submitted to TWCPolicyComments@twc.texas.gov
18 and must be received no later than July 8, 2024.
19

20 **PART VI. STATUTORY AUTHORITY**

21 The rules are proposed under:

22 --Texas Labor Code §352.103(a), which provides TWC with the specific authority to establish
23 rules for providing vocational rehabilitation services;

24 --Texas Labor Code §352.104(b), which provides TWC with the specific authority to establish
25 rules for monitoring and oversight of VR counselor performance and decision making; and

26 --Texas Labor Code §301.0015(a)(6), which provides TWC with the general authority to adopt,
27 amend, or repeal such rules as it deems necessary for the effective administration of TWC
28 services and activities.
29

30 The proposed rules relate to Title 4, Texas Labor Code, particularly Chapter 352.

10
11 (3) related to completing work necessary to remove any grade of "I" (Incomplete)

13 illness, or university regulations to the contrary).
14

15 §850.11. Qualified Vocational Rehabilitation Counselor.

16

17 (a) The Vocational Rehabilitation Division (VRD) develops and maintains a
18 Comprehensive System of Personnel Development (CSPD). This system includes
19 procedures to ensure VRD maintains an adequate supply of qualified personnel,
20 referred to as Qualified Vocational Rehabilitation Counselors (QVRCs).

21 (b) To classify as a QVRC, staff must meet specific state requirements related to
22 education and experience. Standards for QVRCs serve as an internal control to
23 ensure staff are sufficiently trained and prepared to effectively serve Texans with
24 disabilities.
25

26 (c) VR counselors are considered qualified to perform non-delegable duties upon
27 meeting the minimum initial standards for hire, successful completion of required
28 training, and an initial probationary period that allows demonstration of
29 performance. The minimum initial standards for hire are aligned with 34 CFR
30 §361.18(c)(1)(ii)(A) and the State of Texas VR Counselor Classification Schedule.
31

32 (d) Minimum initial standards for hire as a VR counselor include the following
33 education and experience requirements:
34

- 35 (1) A bachelor's degree in a field of study reasonably related to vocational
36 rehabilitation, to indicate a level of competency and skill demonstrating basic
37 preparation in a field of study such as vocational rehabilitation counseling,
38 social work, psychology, disability studies, business administration, human
39 resources, special education, supported employment, customized employment,
40 economics, or another field that reasonably prepares individuals to work with
41 customers and employers; and
42
43 (2) Demonstrated paid or unpaid experience, for not less than one year, consisting
44 of:
45
46

- 1 (A) Direct work with individuals with disabilities in a setting such as an
2 independent living center;
3
4 (B) Direct service or advocacy activities that provide such individual with
5 experience and skills in working with individuals with disabilities; or
6
7 (C) Direct experience in competitive integrated employment environments as
8 an employer, as a small business owner or operator, or in self-
9 employment, or other experience in human resources or recruitment, or
10 experience in supervising employees, training, or other activities.

11
12 (e) Within seven years from completion of the initial training year, a VR counselor is
13 expected to achieve one or more of the following graduate education requirements:

- 14
15 (1) A master's degree in rehabilitation counseling or clinical rehabilitation
16 counseling;
17
18 (2) A master's degree in counseling or a counseling-related field with required

20
21 (3) A master's, specialist, or doctoral degree in specific majors with required
22 specified coursework identified by the Agency's VR division;
23
24 (4) A current certified rehabilitation counselor (CRC) certificate from the
25 Commission on Rehabilitation Counselor Certification (CRCC); or
26
27 (5) Current licensure for a licensed professional counselor (LPC).

28
29 (f) VRD must conduct transcript reviews and/or confirm certifications to determine
30 compliance with standards or to outline coursework to be completed by the VR
31 counselor to meet graduate education requirements.

32
33 (g) VRD helps VR counselors to advance as QVRCs by making funds available through
34 the Qualified Vocational Rehabilitation Counselor (QVRC) program for the required
35 graduate education except when:

- 36
37 (1) unforeseen circumstances occur that may restrict or prohibit the funding; or
38
39 (2) VRD management discontinues a VR counselor's participation in the program
40 in the best interests of VRD.

41
42 (h) The VRD director or designee must approve QVRC financial assistance. This
43 financial assistance is contingent on:

- 44
45 (1) funding;

1 (2) VRD management approval; and

2 (3) compliance with qualifications for participation.

3 (i) Qualifications for participation in the QVRC program require that VR counselors and
4 transition VR counselors applying for assistance must:

5 (1) have completed the initial training year;

6 (2) be meeting or exceeding job performance expectations;

7 (3) obtain the appropriate approvals to pursue a graduate degree or prescribed
8 coursework;

9 (4) apply for Rehabilitation Services Administration scholarship and university

15 (reimbursement of one GRE exam is allowed);

16 (2) related to tuition, fees, and books for any coursework that must be repeated
17 because of failure to successfully complete; and

20 director or designee (for example, serious illness, or university regulations to
21 the contrary).
